

## ART COMPETITION:

### DESIGN A COMMUNITY PIANO FOR SALTASH

Saltash Songs & Shanties Festival will be installing a new community piano on the Waterside for everyone to enjoy. We want this piano to be bright, colourful and covered in artwork made by children from Saltash.

Please use this sheet to create art for the piano on the theme of 'Saltash Wildlife'.

We are looking for artwork inspired by the wild animals that live around us in Saltash – from tiny mice to big deer, birds, fish and reptiles. The winning art will be transferred onto the piano by an artist.

Here are pictures of other colourful street pianos from around the world, to inspire you:
